An inspirational account of domestic violence...

Emma Gierschick has certainly accomplished a lot against the odds, and we congratulate her on her successes to date in fighting against Domestic Violence. Through representing herself in her legal battles, and by drawing on strength she never knew she had, she has gained knowledge and skills which she now happily passes on to help others who are fighting the same injustices.

This Week

Simon Lewis, the director of the St Kilda Surf Life Saving Club, will be speaking to us at our next meeting about his experience as part of an international lifesaving team saving lives in the Mediterranean Sea. It will be an eye opening night. We will be meeting at the Patterson River Golf Club. We look forward to seeing everyone there.

UNICEF Needs Your Foreign Coins

More and more of us are heading overseas and we always seem to return with useless foreign coins that end up in the bottom of a drawer somewhere.

In six months, 120kgs of coins and notes sent to UNICEF were valued by them at **\$4,700.64**.

Eammon Bryant, UNICEF Partnerships Manager said

"We see Rotary and UNICEF as a perfect match. Our history working with, and converting foreign coins to help children in need matched with your unparalleled reach across Australian communities, we think, makes it a dream fit".

UNICEF works in over 190 countries to support children's health needs, clean water and sanitation, quality basic education, and protection from violence, exploitation, and HIV.

So far, more than 15 clubs in the district have joined enthusiastically into this initiative.

For more details, contact Hans Wehmoller - hanswehmoller@gmail.com.

Used stamps wanted

Please collect your used stamps and give them to Maree Vinocuroff (self-confessed philatelic). *Since commencing in 1991, this project has raised almost \$90,000 to support a range of projects for people in need.*

In 2016-17, the proceeds from the sale of **USED POSTAGE STAMPS** will be directed to

[ROMAC](#)

(ROTARY OCEANIA MEDICAL AID FOR CHILDREN)

In remote villages and islands across our region, there are hundreds of children born with complex deformities and medical problems, and consequently, little expectation of a normal life.

Through the care and compassion of our surgeons and their teams, often donating many hours of their time and skill, these children are given a second chance.

ROMAC succeeds with minimal overheads, no office, and no paid staff and yet ensures that every single dollar raised will change and save the lives of fragile children, one child, and one family at a time.

We are **not** asking for **\$\$ DOLLARS \$\$** – just your **USED POSTAGE STAMPS**.

Please help us continue for ROMAC – it won't cost you one cent!
