Snr-Sgt. (Act. Insp.) Jacqui Poida – Victoria Police and Rotary Mentoring

The acting Inspector for Dandenong and Springvale policing areas S-Sgt. Jacqui Poida gave us a fascinating insight into her world of policing, and how she has worked in various roles for over 30 years to become a highly regarded Inspector in the Victorian Police Force.

Jacqui was the first senior officer on the scene at the Springvale Commonwealth Bank fire incident and managed the scene. She said she is proud of the progress and contributions that women (especially) have made in the police force.

Jacqui and Peter Batten are taking part in a mentoring program which was established by Melbourne Rotary with the help of Victoria Police five years ago. Rotary members mentor police force members (previously only

Inspectors over the last five years, but now also Acting Inspectors and Senior Sergeants) to provide them with a knowledge and awareness of the skills, knowledge and capabilities of Rotarians and Rotary organisations. Chelsea Rotary President Peter Batten is mentoring Jacqui and the project is proving to be highly worthwhile and regarded as very successful by both of them.

Please note that John Rooke and Michael Martin now have new email addresses. John's is johnrooke20@protonmail.com and Michael's will be published after we obtain his consent to do so.

We won't have a dinner meeting this week, but we hope to see you at our meeting next week on Tuesday 4th April.

Kingston's Young Citizen 2017

Pictured: Kingston's Australia Day Young Community Group of the Year -headspace Elsternwick and Bentleigh

City of Kingston's Youth Services team is now seeking nominations for the *2017 Kingston's Young Citizen*

The City of Kingston Youth Services team aims to celebrate and recognise the value of all young people in the municipality. Award recognition is one way to celebrate the achievements of young people and a way to thank them for their efforts. Kingston's Young Citizen will form part of Kingston Youth Services' annual Youth Festival held during National Youth Week.

National Youth Week is an annual, week-long celebration of young people (aged 12–25) throughout Australia. It is a joint initiative of the Australian, State, Territory and Local Governments. It gives local communities the opportunity to recognise and celebrate achievements made by our local youth. Our Awards ceremony will be held on Thursday 20th of April.

Why nominate a young person:

Well the answer simply is why not. Young people once in a while get recognised for their efforts in our community and an official Awards Ceremony led by local council's is a great way to give the local recognition that our young people deserve.

The aim of our local award is to:

- Showcase young people's talents, contributions and achievements;
- Celebrate young people's diversity and the attributes that make young people unique; and
- Promote young people as positive representations in our local community.

Nominations are being taken online at:

www.kingston.vic.gov.au/Services/Youth/Young-Achiever-Nominations

If you are hesitating and wondering if you should nominate a young person please call the Youth Services team on 1300 369 436 or if you have any further questions.

UNICEF Needs Your Foreign Coins

More and more of us are heading overseas and we always seem to return with useless foreign coins that end up in the bottom of a drawer somewhere.

In six months, 120kgs of coins and notes sent to UNICEF were valued by them at **\$4,700.64**.

Eammon Bryant, UNICEF Partnerships Manager said

"We see Rotary and UNICEF as a perfect match. Our history working with, and converting foreign coins to help children in need matched with your unparalleled reach across Australian communities, we think, makes it a dream fit".

UNICEF works in over 190 countries to support children's health needs, clean water and sanitation, quality basic education, and protection from violence, exploitation, and HIV.

So far, more than 15 clubs in the district have joined enthusiastically into this initiative.

For more details, contact Hans Wehmoller - hanswehmoller@gmail.com.

[ROMAC](#)

(ROTARY OCEANIA MEDICAL AID FOR CHILDREN)

In remote villages and islands across our region, there are hundreds of children born with complex deformities and medical problems, and consequently, little expectation of a normal life.

Through the care and compassion of our surgeons and their teams, often donating many hours of their time and skill, these children are given a second chance.

ROMAC succeeds with minimal overheads, no office, and no paid staff and yet ensures that every single dollar raised will change and save the lives of fragile children, one child, and one family at a time.

We are **not** asking for **\$\$ DOLLARS \$\$** – just your **USED POSTAGE STAMPS**.

Please help us continue for ROMAC – it won't cost you one cent!
