## Looking back, going forward...

Pres. Glenn Tippett from the [Rotary Club of Boronia](#) gave a comprehensive talk about Australian Rotary Health including some perspectives from his own very personal point of view. We thank him very much for visiting to speak to us. He gave us some ideas about how to use George Malone's

bequest, which we will discuss and decide on Tuesday 2nd May or 9th May. So have a think about the many possibilities, from scholarships to programs to awards to funding research, etc. Just choose one or two (or more) and we'll discuss the options. Some examples are shown on the next page.

We were also happy to recognise Simon Pearson's efforts contributing to the success of the Soap Aid project by presenting him with a framed certificate of appreciation.

We have our Art Show judge, Mr Michael Goff visiting us this Tuesday. Come along and hear what he has to say. We're sure it will be interesting. You can see examples of his talent here <https://youtu.be/cvKz52gha4E> and here <http://www.boathousegallery.com.au/michael-goff.html>

We hope to see you there, and don't forget that Art Show entries close at 5pm this Friday 21<sup>st</sup> April.

## Camp Awakenings 2017 better than ever

The young people engaged in Camp Awakenings 2017 helped to make it the most successful camp ever and learned many life-long skills and attitudes that will be indispensable over the following years.

The camp leaders had a ball too, with many of them having being recruited from the pool of graduates of this home grown highly successful program.

Here are just a few photos from the camp taken by Grant Gittus.

## UNICEF Needs Your Foreign Coins

More and more of us are heading overseas and we always seem to return with useless foreign coins that end up in the bottom of a drawer somewhere.

In six months, 120kgs of coins and notes sent to UNICEF were valued by them at **\$4,700.64**.

Eammon Bryant, UNICEF Partnerships Manager said

*"We see Rotary and UNICEF as a perfect match. Our history working with, and converting foreign coins to help children in need matched with your unparalleled reach across Australian communities, we think, makes it a dream fit".*

UNICEF works in over 190 countries to support children's health needs, clean water and sanitation, quality basic education, and protection from violence, exploitation, and HIV.

So far, more than 15 clubs in the district have joined enthusiastically into this initiative.

**For more details, contact Hans Wehmoller - [hanswehmoller@gmail.com](mailto:hanswehmoller@gmail.com).**

***\$2 will provide a severely malnourished child enough therapeutic super food for one day.***

## Used stamps wanted

Please collect your used stamps and give them to Maree Vinocuroff (self-confessed philatelic). *Since commencing in 1991, this project has raised almost \$90,000 to support a range of projects for people in need.*

In 2016-17, the proceeds from the sale of **USED POSTAGE STAMPS** will be directed to

[ROMAC](#)

**(ROTARY OCEANIA MEDICAL AID FOR CHILDREN)**

In remote villages and islands across our region, there are hundreds of children born with complex deformities and medical problems, and consequently, little expectation of a normal life.

Through the care and compassion of our surgeons and their teams, often donating many hours of their time and skill, these children are given a second chance.

ROMAC succeeds with minimal overheads, no office, and no paid staff and yet ensures that every single dollar raised will change and save the lives of fragile children, one child, and one family at a time.

We are **not** asking for **\$\$ DOLLARS \$\$** – just your **USED POSTAGE STAMPS**.

Please help us continue for ROMAC – it won't cost you one cent!
