President Pete's Preamble

Thank you to Gloria Hargreaves for speaking to us about Malaria and what Rotary is doing about it. We were happy to give her a donation towards the RAMS project, for which she was very grateful.

It's always a stark reminder when the Art Show comes around that the Rotary year is almost over. It's a good time to look back and think of all the things we've done, and to check that we're ready for the next 12 months. It's been quite a productive 12 months with many successful projects completed, and our plans are well prepared for the coming year.

Our Art Show, driven by the hard-working Art Show committee led by Lesley Pichler, has been quite successful this year, and we always never stop thinking of ways to try to make it better every year (LED lighting, for example). (Interestingly, Toyota built their reputation on this principle, Kaizen, meaning 'incremental improvement'.)

There is no meeting this week (13th June) but we will meet again next Tuesday at the RSL. Details are yet to be confirmed.

A screenshot of a newspaper article from the 'Leader' community news. The page header includes the 'Leader' logo, 'COMMUNITY NEWS', a home icon, and a navigation bar with 'Mordialloc Chelsea Leader', a 'Calendar' dropdown, and the date '7 Jun 2017'. The article title is 'More street libraries' and the sub-headline is 'Super high'. The text describes a street library in Chelsea, mentioning Sherwood Ave, the Uniting Church, and Apendale Gardens. It is attributed to Fiona Connell via Facebook.

There's a street library in Sherwood Ave, Chelsea, as well – at the Uniting Church and another one inside the community centre at Apendale Gardens.
Such an awesome concept.
