JJ – Taking great photos explained in simple terms.

Photo: from a documentary video by Caitlin Bryan

At our previous dinner meeting, we enjoyed another short talk by JJ, picking up from last week, and learned more about how to make the most of whatever camera we are using to make better photographs. His advice was clear and simple. You don't need to spend a lot to make interesting photographs. It's not the first time (by a long shot) that JJ has given freely of his time and expertise to educate people about photography. Click on JJ's picture to see a documentary about the [City of Kingston's Intergenerational Film Project](#) which brought together dozens of novices and professionals of all ages to make three short films last year.

There is no meeting this Tuesday 4th July because of our Changeover meeting on Saturday 8th July at Patterson River Golf Club, which we hope all of our members will be able to attend and enjoy. Please come along and congratulate our outgoing President Peter Batten and his Board, and welcome President Elect Keith Chamberlain and his Board for 2017-18.

Vale Rob Henry

A great friend, fellow Rotarian and Coordinator of the ARH Ride to Conference, Rob Henry, passed away last week after a short battle with cancer. We can only echo the words from our friends at [Australian Rotary Health](#)...

"It is with a heavy heart that we announce the passing of PP Rob Henry, who will always be remembered for his contribution and dedication to Australian Rotary Health.

Rob was a member of the Rotary Club of Boronia in District 9810 and became the driving force behind the 'Ride for Research Dollars', an annual charity bike ride to the 9810 District Conference.

Over 30 years, the event has raised over \$1 million dollars for health research projects through Australian Rotary Health, and this was in part due to Rob's passion and leadership.

In 2012, Rob was awarded the Australian Rotary Health Medal to recognise his continuous support for our cause, including not only the district bike rides, but for providing advice in the planning and execution of the Great Australian Bike Ride event around Australia in 2009.

In addition to this, Rob and his wife Valerie were praised for their beautiful home

garden, which they opened up to the public for exhibition. The proceeds from this were also donated to Australian Rotary Health.

Rob was a very kind and generous man who will be missed. We give Rob's family our condolences during this difficult time. "
