## A new Rotary Year, a new(ish) Chelsea Rotary President and Board

Our best wishes to President Keith Chamberlain and his Board for the coming year! We are confident they will ensure that Chelsea Rotary maintains its well-deserved reputation for helping people in need in our local, and overseas communities. Being open to mixing new ideas with tested and trusted thinking from previous years is one of the clever ways that Rotary maximises its ability to do good in the world; that is, Making A Difference (this year's theme).

Notwithstanding this strategic approach, major changes do generally happen slowly in Rotary. A cornerstone of the Rotary brand is its reputation for reliability, to a degree which very few other service organisations can match. Only time will tell whether this ultra-conservative protocol will be successful or not. Society exerts pressures on all service organisations to be agile and flexible, to meet multiple, and often concurrent needs and demands, and Chelsea Rotary has done well so far to step up to meet the demands asked of it. Chelsea Rotary is increasingly flexible in our projects, and in how we require our Rotarians to meet their obligations. We adopt new technologies and continually learn how best to use them, by making use of the knowledge of our own people and by learning from guest speakers and other Rotarians.

We wish all of our Rotarians and their families the best for the 2017/18 Rotary year and we look forward to the future with excitement and enthusiasm.

We hope to see you at our Art Show Beneficiaries Night at the Patterson River Golf Club this Tuesday!
