Changing workforce

Between 1992 and 2014, the labour force participation rate has changed.

Men retire, on average, at 58 and women at 50. While this has changed little for men since 2004-05, it has increased from 47 years for women.

Meeting Dates and Topics

Guests, family and friends are very welcome.

PLEASE book them in by contacting Kevin Harrison 0407 772 225

The following is our upcoming program. Meetings are at the Chelsea RSL unless otherwise stated.

Date	Speaker	Description	Location	Chair	Sergeant
25 July		Farmers Market Cheque Presentation and Committee Meetings	Chelsea RSL (in the warm section)		

Local organisations benefit from successful Art Show fundraising

As Aristotle said, "To give away money is an easy matter and in any man's power. But to decide to whom to give it and how large and when, and for what purpose and how, is neither in every man's power nor an easy matter."

It was our privilege to present the funds we raised from our Annual Art Show to several well-deserving local organisations, such as the Carrum Coast Guard. Rod is shown accepting a cheque which he said they will use to fix the steering on their rescue boat. The Carrum Coast Guard save lives on Port Phillip Bay all year round. Rod is seen practicing his skilful night-vision acclimatisation technique.

Good news for our meetings on Tuesday nights at the RSL!!!! Due to the great work by Kevin and Simon, the RSL has now agreed to fence off the area where we used to meet with partitions. This means no more meeting in the Chelsea Town Hall Foyer and we will be in the warmth (and cool in summer) of the main building.

So, if the cold (and heat) has been keeping you away, now is the time to start coming back and being part of our great club.

We look forward to seeing you there next Tuesday when we will present a cheque to 4th Mordialloc Sea Scouts for helping at the Farmers Market, finalise our committees and start work on this year's projects.

Cheers
Keith

Gardening Tools Needed

Via Maree and Topsy, we would like to put out a request for any gardening tools that people might like to get rid of as we are starting another project that is establishing a community garden and will need tools for volunteers.

Please contact Maree or Topsy if you can help with providing tools.

Hi there! My name is Jordan and I am the audience co-ordinator at Family Feud. I was wondering if your group was interested in organising a time to come to a live taping of our show! As you know Family Feud is a great fun show that people all around the world love and people love to come and be a part of. We have free audience tickets available for many shows throughout the year and its great day out that doesn't cost anything. You will be able to observe how television is made, see hilarious outtakes that don't make it to air, and see everybody's favourite host, Grant Denyer! If you were interested in organising a time to come to a taping, our session times are 1:45pm to 5:30pm and 6:00pm to 8:30pm. We film the show in Southbank, Victoria. The dates vary and can be seen on our website www.feudaudience.com.au Please note that audience members must be 14 years of age and those under 16 must be accompanied by a parent or guardian. Cans for the Homeless

Homelessness Week is from Sunday 6th August to Saturday 12th August 2017

Chelsea Community Church of Christ in conjunction with Tim Richardson, local Member of Parliament are seeking the surrounding Community's support.

We are seeking provision of **non-perishable cans of food** (within use by date) which can include coffee, fruit, fish, soup and such and/or **gold coin donations** to assist with the support provided to Homeless and struggling neighbours within the Chelsea community.

During Homelessness Week there will be a register to record all donations to identify which individual, family, school, community group, business or organisation has collected the most cans.

Cash donations will be used to continue the work of the Free Food Pantry run by the Church and cans will be equitably distributed throughout the community to those in need.

This Fund-raising event is backed by Homelessness Victoria and is part of the Homelessness Week for 2017.

Community makes plans for the future

Aspendale Gardens 12 July 2017

Local residents, traders and community groups have come up with a raft of ideas for community projects to benefit the South Ward region of the City of Kingston.

Aspendale Gardens-Edithvale **Community Bank**[®] Branch recently held a community forum to discuss ideas for local projects, with the view of directing grant funding and improving collaboration between local government, business and community groups.

Branch Manager, Susan Tresidder said the forum was a great opportunity for the community to contribute to the development of our local area and discuss how to create a sustainable future in the area.

“More than 80 people attended the event, all bursting with fantastic ideas,” Ms’ Tresidder said.

“There was a lot of passion in the room and we look forward to working with the community and other local groups to help turn some of these dreams into reality.”

AGECOM Enterprises Limited **Community Bank**[®] company Chair, Anna McDonald said the board would now work with other stakeholders to gather information for some of the proposals.

Projects discussed include;

- Ways to enhance community engagement;
- More efficient means of managing community resources;
- Programs to develop active citizenship;
- Approaches to tackle drug issues; and
- A focus on youth development programs.

“The board would like to thank everyone for attending the forum and providing the Aspendale Gardens-Edithvale **Community Bank**[®] Branch with some direction on how to allocate future project funding,” Ms’ McDonald said.

Since opening in May 2010 Aspendale Gardens-Edithvale **Community Bank**[®] Branch has donated more than \$200,000 to community groups, projects and events.

For more information about Aspendale Gardens-Edithvale **Community Bank**[®] Branch, contact our Branch Manager Susan Tresidder on 9588 0610.

We expect to convene a further meeting with participants to discuss the best way to achieve the outcomes of this Community forum.
