Intergenerational Film Project

JJ and Ian showed us the movies that their groups produced as part of the City of Kingston Youth Services-sponsored project to encourage interaction between people of different ages, and to develop useful skills in film-making that could be leveraged for City of Kingston events in the future. Cr. Tamsin Bearsley spoke in glowing terms of the need for, and the success of the project, and said similar projects will be run each year to develop the skills of volunteers in the City of Kingston, and promote intergenerational communication and cooperation.

This week we will hear from Greg Caughey about [bee-keeping](#), which will be preceded by committee meetings.

Well done to newly minted Chelsea Rotarian Sandy Antonuccio who has already negotiated for a local food merchant to donate surplus food to [Pantry 5000](#). That will be greatly appreciated by the hundreds of people in the Chelsea area (and increasing) who rely on a leg up each month when it comes to providing food for their families.

Cheers
Keith

Subject: Invitation: Share your experiences with projects in Australia

Dear Rotarian,

As part of our ongoing efforts to better understand the needs and practices of Rotary clubs and districts in Australia, we are sending this survey to learn more your charitable work supporting local communities, which may include your experiences with Rotary grants.

Your perspective is vital. It will help us become more aware how this important topic is handled by your club and district, and what materials and resources will best meet the needs of Rotarians in Australia.
