This week at Chelsea Rotary - Real Estate guru John Shore will reveal everything.

We're fortunate to have Mr John Shore, from Ray White Real Estate Chelsea speak at our dinner meeting this week. John travels around Australia raising funds for charitable causes by conducting auctions and is amazingly successful at doing so. It's a while since John last spoke to us, and we were so impressed with what he had to say last time that we invited him back.

Please let **Simon Pearson** know by Monday lunchtime if you won't be attending the meeting, so we can advise the RSL.

We hope to see you there!

Cheers
Keith

Making a Difference

Vale Mr Gary Rogers

We regret to advise of the passing of Mr Gary Rogers who was a long-time member and coordinator of the Chelsea Mens Shed. Gary passed away peacefully in his sleep last Thursday after a long battle with cancer. Gary was a great friend and advocate for many of the sheds on the Mornington Peninsula and will be greatly missed. Relatives and Friends are invited to attend Gary's send-off to be held at Chelsea Community Church of Christ, 5 Blantyre Ave, Chelsea on THURSDAY (Oct. 5, 2017) at 11:30 a. m. In lieu of flowers donations to Cancer Council or Chelsea Mens Shed would be appreciated. Envelopes will be available at the Service. Our condolences and sincerest wishes go to his family.

Used stamps wanted

Please collect your used stamps and give them to Maree Vinocuroff (self-confessed philatelic). *Since commencing in 1991, this project has raised almost \$90,000 to support a range of projects for people in need.*

In 2016-17, the proceeds from the sale of **USED POSTAGE STAMPS** will be directed to

[ROMAC](#)

(ROTARY OCEANIA MEDICAL AID FOR CHILDREN)

In remote villages and islands across our region, there are hundreds of children born with complex deformities and medical problems, and consequently, little expectation of a normal life.

Through the care and compassion of our surgeons and their teams, often donating many hours of their time and skill, these children are given a second chance.

ROMAC succeeds with minimal overheads, no office, and no paid staff and yet ensures that every single dollar raised will change and save the lives of fragile children, one child, and one family at a time.

We are **not** asking for **\$\$ DOLLARS \$\$** – just your **USED POSTAGE STAMPS**.

Please help us continue for ROMAC – it won't cost you one cent!

Interplast Activity During 2016/17

District 9810 Clubs and individuals who have supported Interplast in the previous Rotary year; 2016 - 2017 will be delighted to know of the Interplast Programs that will be implemented this and next year.

The Committee made the decision that the contributions will support the following programs:
"Fully fund two Nurses Training Programs to the Solomon Islands scheduled for November 2017. Plus co-fund a Surgical Program to Vanuatu in April 2018.

This is all due to your generous support and the Committee sincerely thank you. An amazing transformation will occur for a number of individuals and their families. Just think of children being able to attend school while parents and others will be able to work. Medical personnel in the Solomon Islands will become more effectively trained in 'Repairing and Rebuilding Lives'. All carried out by volunteer Medical personnel who provide their expertise and time. But Rotarians ought to feel very proud of their individual and club contributions and the difference this has made.

Thank You all!

If your club would like an Interplaster Speaker then please let me know.

Yours in Rotary

PP Liz Guiver, Interplast Chair on behalf of the Interplast Committee.
