Hi Folks,

The committee meetings were very successful last week; it's a good chance to get committees together to work on projects and make decisions as a group, something which is sometimes difficult to organise with the busy lives we all lead.

This week we are meeting at Rossdale Golf Course for our combined meeting with the Rotary Club of Aspendale. We will present a cheque (made possible through fundraising from our joint club Golf Day last year) to Micky Weiser to help him and Sandi and their team with running Camp Awakenings, which helps so many young people every year.

A typical Camp Awakenings activity.

RECYCLE

SOAP AID

We'll also hear an update about SoapAid, a project which has grown quite large and could potentially help as many people as the current project eliminating Polio. Mike Matulick, the CEO of the company running the project will be there.

See you at Rossdale Golf Club...

All the best, *Simon.*

Congratulations Bob Richards OAM

The Rotarian, Apex director, polio pioneer and one-time football club president has been awarded a Medal of the Order of Australia (OAM) for his great community work.

The 68-year-old insurance loss adjuster has been involved with Rotary and Apex for decades, helps out with immunisation policy implementation in India and was active in the East Sandringham Junior Football Club, including time spent as president, secretary and coach.

He said he was shocked to be acknowledged for doing what he considers just being a good citizen.

“I get emotional about what I do, I get involved,” Mr Richards said.

“I was born and bred in Sandy and just want to put something back.”
