Hi Folks,

It was a pleasure to watch Karen Eastwood from the Rotary Club of Aspendale present a cheque at our joint meeting to Indi Clarke from Camp Awakenings last week. Although Indi has only been a leader for one year with the dedicated and incredibly effective Camp Awakenings team, she has already helped many young students. We know the funds will greatly help hundreds of young teenagers from our local area to gain confidence, self-respect, and the knowledge, skills and attitudes which will help them find their own unique path through school and life, by interacting with the CA team and their peers.

Mike Matulick gave an visionary talk on Soap Aid (for which we were successful in gaining a Rotary District Grant), and spoke about the scope for expansion of the program to other major capital cities and continents. The first container of soap has been delivered to Dhanbad in India, and its distribution will be overseen by PDG Mrs Kamal Sanghvi and the Rotary Club of Dhanbad. Mrs Sanghvi is also a trustee of the Rotary India Humanity Foundation.

This week we are meeting back at the RSL and will listen to a presentation from our Membership and Marketing Committee.

See you there...

All the best, *Simon.*
