Hi folks,

Thanks to Helene Brown, Peter Washington and Peter Batten for helping organise the mailout for the Art Show, and to everyone who helped make it happen. We heard a very good review of the District Conference from Peter Brown who especially liked Barb West's talk on the importance of consulting and learning the local culture before doing projects overseas. He also especially liked Mark Balla who spoke about toilet projects in India. Peter will try to bring Mark to our club to speak about his quite aptly titled project "[We Can't Wait](#)".

A brief board meeting was held afterwards where we learned that all of our projects are on track and on budget.

We are meeting this Tuesday at the restaurant at Chisholm TAFE in Frankston; this is a vocational visit organised by Greg Caughey. A map is attached to this newsletter (and was in the previous WW).

JUNIOR MAYOR 2015

We were pleased to receive this offer to be involved in the City of Kingston Junior Mayor again this year:

10th March 2015

Dear Iain Uren - Chelsea Rotary Youth Representative

Re: Junior Mayor Election 2015

Kingston Youth Services would like to provide you with an official invitation for the Rotary Club of Chelsea to take part in this year's Junior Mayor Elections. We greatly appreciate the ongoing support from your Club to make this annual event successful.

Last year, 25 Primary Schools from the Kingston Municipality participated in this event where Naveen Satish-Kumar from Aspendale Gardens Primary School was elected Junior Mayor for 2014. This annual event is a great opportunity for Grade 6 students to participate in. It allows them both as individuals and as representatives of local Kingston schools to take an active role within their school and community, informing people about the exciting things their school has to offer and to start thinking and talking about issues that affect and concern them.

Each Primary School within the City of Kingston is invited to participate in the Junior Mayor Election. Each School, through its own selection process,

nominates one Grade 6 student as its head speaker and three other team members as its representatives to participate in the Junior Mayor Election.

The elected Junior Mayor, during his/her term of office will be required/invited to represent the City of Kingston:

- At Citizenship Ceremonies and events with the Mayor;
- Providing media interviews;
- Making speeches at events; and
- Proudly representing the City of Kingston

The election will be taking part on **Thursday 16th of April 2015** at L.F. Payne Chelsea Hall (Chelsea Town Hall) between 9.30am and 1pm.

At present there is opportunity for your Club to support and participate as it has in previous years. If you would like further information please do not hesitate to contact me on 1300 369 436 or at laura.lindsay@kingston.vic.gov.au

Thank you for your time and I look forward to your involvement on the day.

Kind Regards

Laura Lindsay

ASPENDALE

Students stranded after theft

YARRABAH School for children with disabilities is appealing for the return of its much-needed trailer.

A thief used boltcutters to break into the Aspendale school on March 4.

Principal Matthew Harris said it relied on the trailer to take students on camps and carry equipment to excursions and sports days.

"It's just so saddening that whoever stole the trailer didn't know what it was being used for," Mr Harris said.

Information to Crime Stoppers, 1800 333 000, or Moorabbin police, 9556 6565.

Gabi, her assistance dog Quay, Josh and principal Matthew Harris would love their stolen trailer back. Picture: JASON SAMMON
