Hi folks,

The Volunteers Appreciation Night at the Chelsea Activity Hub was a tremendous night with volunteers from organisations all over Chelsea and the local area coming together to celebrate their combined efforts. This event is getting bigger each year. The night was compered by auctioneer extraordinaire John Shore, who helped raise money which will go to the VCAL students.

Dignitaries included Mayor Geoff Gledhill from the City of Kingston, as well as state and federal government representatives. Cr Gledhill pointed out that all of the various

volunteering organisations, including the CFA, SES, and Life Saving clubs who were present, provide over 20,000 hours of service to our community. Guest speaker, City of Kingston Young Citizen of the Year Carrie Ewin spoke to the gathering. Carrie has done great work over a prolonged period by helping Seniors to gain IT skills. She is a driving force behind Longbeach Place securing one of only four grants for funding for an IT course for Seniors there. The two course meal was served cheerfully and efficiently by VCAL students from Patterson River Secondary College, organised by Carole McMahon, a member of the Rotary Club of Chelsea. Many thanks to our own Peter Washington for organising the night. It must be quite a challenge to ensure everything runs as smoothly as it did.

This week we will hear from Carole McMahon and VCAL students from Patterson River Secondary College. Hope to see you there.

Best wishes, *Simon.*

**ROTARY'S MOTTO
IS "SERVICE ABOVE
SELF"**

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Can You Help?

As part of the VCAL program, all students need to have one day a week at a Work Placement. Unfortunately, trying to ensure they all do can be a mind boggling exercise.

I have approximately 15 students out of 76 that still need a placement.

I am asking Rotary members to please help. Can you or someone you know take a student for one day per week (generally a Friday or Wednesday)?

The industries I need help in are: beauty, electrical, building and information technology (computer programming/gaming).

If you can assist or would like to know more about work placement, please contact me on 0421840007 or email mcmahon.carole.c@edumail.civ.gov.au

Thanks,

Carole McMahon

Nepal Update : 14 May 2015

Australian and UK DARTs now in Kathmandu **And the Victorian Government donates equipment for us to use in Nepal**

Dave Tuzewski from South Australia has now landed in Kathmandu. He is currently settling in and will be joined by UK DART **Peter Hazell** at the weekend. They have two Australian *SkyHydrant™* water filtration systems to deploy, with more to follow. Reports from Dave and Peter are expected soon, including aspects of the latest, massive earthquake in Nepal.

Victoria's **Department of Environment, Land, Water & Planning** heard of our efforts and generously provided 400 tents and stretchers from its stocks. They will be delivered by DARTs, local Rotarians and others as a part of our work in Nepal.

Other Disaster Aid relief items being shipped include:

- 200 tents from India;
- 200 tents from our warehouse in China;
- 200 *Sawyer* water filters¹ flown in from USA (¹we also used these in Vanuatu);
- 220 Disaster Aid International tents scheduled to be delivered by end of May.

Our Rotarian contacts in Nepal have advised blankets are available to purchase locally. We intend allocating funds for that and similar purposes.

PLEASE KEEP AN EYE ON OUR WEBSITE, AND IN PARTICULAR FROM THERE TO FACEBOOK FOR LATEST NEWS OF OUR RELIEF EFFORTS.

Will you please help support the work of Disaster Aid Australia?

It is a Rotary Club project that really is making a difference in Nepal.
