Hi folks,
Carole Mc Mahon and VCAL student Ashleigh from Patterson River Secondary College provided us with an excellent insight into VCAL studies and explained what they are, who studies VCAL courses and why they are essential.

Ashleigh studies VCAL Patisserie. We wish her every success and we can't wait to taste her cakes and pastries. Carole outlined the need by the VCAL classes for 22 laptops to study at PRSC. We'll take that on board and see what we can do. If any of our contacts has access to a great deal on laptops for students (eg Acer or Lenovo 11e - Windows, not Chromebook), by all means let us or Carole know.

Our deepest sympathies are extended to Lynn and Kevin Harrison and their family on the passing of Lynn's mother Lorna Bruce who passed away on Wednesday. A funeral service will be held in the Weeroona Chapel at the Bunurong Memorial Park at 2pm on Thursday 28th May.

This week we will visit Yarrabah School in Aspendale. We hope all our members can be there.

Best wishes, *Simon.*

ROTARY'S MOTTO IS "SERVICE ABOVE SELF"

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Can You Help?

As part of the VCAL program, all students need to have one day a week at a Work Placement. Unfortunately, trying to ensure they all do can be a mind boggling exercise.

I have approximately 15 students out of 76 that still need a placement.

I am asking Rotary members to please help. Can you or someone you know take a student for one day per week (generally a Friday or Wednesday)?

The industries I need help in are: beauty, electrical, building and information technology (computer programming/gaming).

If you can assist or would like to know more about work placement, please contact me on 0421840007 or email mcmahon.carole.c@edumail.civ.gov.au

Thanks,

Carole McMahon

* Thanks to [Lowe Construction](#) for providing some VCAL Building work experience and mentoring! It's much appreciated by everyone involved with VCAL!

VALE Lorna Bruce

Our best wishes and thoughts are with Lynn and Kevin Harrison and their family after the passing of Lynn's mother Lorna Bruce on Wednesday. A funeral service will be held in the Weeroona Chapel at the [Bunurong Memorial Park](#) at 2pm on Thursday 28th May.
