Message from the President

Hi folks,

I expect all of our members felt the same pride I did as we gave out funds to the Art Show beneficiaries on Tuesday evening. Our Art Show has been bringing the community together for over 40 years. That adds up to a lot of artists (young and old) encouraged and rewarded, and a lot of hard work and satisfaction for our Rotary Club and also for the many organisations that have helped us to put the whole show together over the years. Congratulations to our Art Show Committee and everyone who helped in putting on a very successful and much appreciated Art Show!

[Matt Lowe's](#) Beyond the Boundary Line project at [Bonbeach Football Netball Club](#) is inspirational and deserves the full support of the community. It will benefit young people and greatly improve young lives if it achieves its aims (which we expect it will) in helping to develop young men into strong, caring, sociable, community minded citizens who are well equipped to become leaders in whatever field they choose.

This week Mr John Shore will speak to us about houses, property and real estate. John is a legend when it comes to auctioning stuff for charity, and has raised over \$1,000,000 for charities all over Australia. We thought he put in such an awesome sustained effort over many years that we recognized him as a Paul Harris Fellow. Come along to hear his advice on what is probably the largest asset that most people will ever acquire. It's not often you can ask questions of someone who knows practically everything there is to know about Real Estate.

Keep warm,
Ian.

ROTARY'S MOTTO IS "SERVICE ABOVE SELF"

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Joint Family Day with Rotary and Monash Childrens Hospital

On November 22nd 2015 a joint family fun day will be held between Rotary and the Monash Children's. It is hoped that this will be an annual events.

The event will be held at Jells Park Glen Waverley between 10AM and 4PM.

To be a success we would like your help please.

The day will have children's races plus stalls. What we need from you is:

- Man power to help marshal and other duties
- Clubs to provide stalls for either food or activities i.e. face painting etc (clubs can use this as a fundraiser in itself as the agreement is half of the net profit to Rotary and half to Monash Children's)
- And sponsorship of the differing events i.e. cover the cost of the participant ribbons / certificates.

This promises to be a big day and hopefully a signature event for our district. From the publicity and presence there is the prospect of new members.

If you are able to support this wonderful event, please contact Claire Button on claireb@bigpond.net.au

News from our District Governor

The year of Being a Gift to the World is well underway !

Alison and I would like to thank all of you that attended the District Changeover and gave us such a positive and warm welcome to our forthcoming duties. We feel energised by the support that we are receiving from so many people in this, our great District.

My main message to all Rotarians is ENJOY ROTARY ! There are so many positive things happening around the District with so many more planned. We all have so much of which to be proud within our District. Recently the 2015 RYLA program was successfully delivered by a team of dedicated and hardworking folk. There are Primary School Speech Contests happening right across the District.

In the coming Months there will be a series of Seminars being organised to enable ALL Rotarians to gain a better understanding of some of the Rotary programs on offer. We kick off with what looks like being a vibrant Membership Seminar on July 31st. On August 21st The Foundation Seminar will be held. This year we are reverting to a single Foundation Seminar rather than regional events. Further details will be in this issue of Highlights. Please make every effort to attend these events.

Alison and I look forward to catching up with as many of you as we can in the coming Months as we undertake our program of Club Visits. So until then,

CHEERS
