Message from the President

Hi folks,

It was lovely to have Sue Foley from the Rotary Club of Melbourne South and Bronwyn and Mark Stephens visit last Tuesday. It's always an enjoyable night when we host guests from other clubs and even better when they award our members with a PHF! Congratulations to Greg Caughey for being recognised by the Rotary Club of Melbourne South with a PHF for his work with World of Difference, but we know he has done much more than just that over the 15 years he has been in Rotary.

Colin Andrew from the Mediation Institute will speak to us this week about mediation (as opposed to litigation), and tell us how and why it can be a preferable solution to domestic and commercial conflict. Bring along a business colleague or friend - they could benefit a great deal from listening to what Colin has to say. We hope to see you there.

Cheers

Ian

Joint Family Day with Rotary and Monash Childrens Hospital

On November 22nd 2015 a joint family fun day will be held between Rotary and the Monash Children's. It is hoped that this will be an annual events.

The event will be held at Jells Park Glen Waverley between 10AM and 4PM.

To be a success we would like your help please.

The day will have children's races plus stalls. What we need from you is:

- Man power to help marshal and other duties
- Clubs to provide stalls for either food or activities i.e. face painting etc (clubs can use this as a fundraiser in itself as the agreement is half of the net profit to Rotary and half to Monash Children's)
- And sponsorship of the differing events i.e. cover the cost of the participant ribbons / certificates.

This promises to be a big day and hopefully a signature event for our district. From the publicity and presence there is the prospect of new members.

If you are able to support this wonderful event, please contact Claire Button on claireb@bigpond.net.au

ROTARY'S MOTTO IS "SERVICE ABOVE SELF"

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Please Note

Our great friends and Rotarians John and Eunice Rooke have a new phone number. It is 97726526

YARRABAH SCHOOL GREEN HOUSE

Yarrabah School seeks community support to build an accessible green house for students with physical and intellectual disabilities.

The project will engage students in life sciences, provide opportunities to cultivate seed for the kitchen garden program, develop work skills for senior students interested in horticulture pathways and encourage community members to work alongside students while growing their own seed stock in a community run and operated green house.

Please support our good friends at Yarrabah who do so much good work for their wonderful families and students... Please vote for their project...
