Message from the President

Hi Folks

It was very encouraging to see so many people at our last meeting. It's essential that we have regular (but not too frequent) committee meetings to ensure we progress our plans for the year. The Committees appear to be making good progress. It's always heartening to see new people who are interested in our club, and we offer a warm welcome to Hazel. We hope you find us a friendly and sociable club and we look forward to getting to know you, and to giving you a chance to know us and what Rotary does.

I'm pleased to report that the Board ratified the budgets for our committees at our previous Board meeting, with the help of our Treasurer Peter Washington. We have cut back a bit on our international budget this year in order to spend more on local projects and causes. That isn't a reflection on the relative value of projects, just the direction of the Board for this year. Next year it might be totally different. That's one of the strengths (and sometimes weaknesses) of Rotary; the ability of each Club and Board each year to determine its own directions and priorities. Our club did a huge amount of good work overseas last year, of which we are very proud. This year we'll direct more of our efforts a bit closer to home. As usual, any member is more than welcome to come to Board meetings.

Don't forget our Golf Day is coming up in November, which we run in conjunction with the Rotary Club of Aspendale each year.

Have a great week and enjoy the lovely Spring sunshine.

Ian.

Rotary Youth Program of Enrichment (RYPEN)

Iain Uren attended RYPEN this year as part of the committee and Chelsea Rotary sponsored two students to attend. As such it seems fitting to remind everyone about RYPEN.

RYPEN is a 2.5 day residential experience, where participants are involved in a variety of sessions, workshops and activities, which provide an opportunity for them to personally develop, challenge themselves, build friendships with like-minded people, and build life skills.

Participants develop awareness in areas such as:

- Leadership
- Working in a team
- Communication
- Decision making
- Facing fears
- Contributing to community

RYPEN also provides an opportunity for participants to:

- Build confidence, and self esteem
- Increase self awareness
- Consider the impact of life choices
- Build trust
- Explore values

RYPEN is about having fun.

Throughout the seminar, participants worked together in small groups with paired youth leaders from the RYPEN 2014 Experience. Each group also had an adult mentor allocated to the group.

The 2015 RYPEN camp was held from 4:00 pm Friday 11 September to 3:30 pm Sunday 13 September 2015.

Joint Family Day with Rotary and Monash Childrens Hospital

On November 22nd 2015 a joint family fun day will be held between Rotary and the Monash Children's. It is hoped that this will be an annual events.

The event will be held at Jells Park Glen Waverley between 10AM and 4PM.

To be a success we would like your help please.

The day will have children's races plus stalls. What we need from you is:

- Man power to help marshal and other duties
- Clubs to provide stalls for either food or activities i.e. face painting etc. (clubs can use this as a fundraiser in itself as the agreement is half of the net profit to Rotary and half to Monash Children's)
- And sponsorship of the differing events i.e. cover the cost of the participant ribbons / certificates.

This promises to be a big day and hopefully a signature event for our district. From the publicity and presence there is the prospect of new members.

If you are able to support this wonderful event, please contact Claire Button at claireb@bigpond.net.au
