Message from the President

Hi Folks

Birthdays are a good time for reflection. It's sometimes a worry when you start getting older. Bits wear out, drop off, seize up, or don't work as well as they used to. I'm pleased to say that our Rotary club seems to be just as effective, and just as healthy, if not more so, as it was back in 1954 when it was chartered. Like any complex organisation, it has to be nurtured, maintained and examined every so often, and I think we do a reasonable job of this by encouraging our members to question what we do, and why and how we do it, and to constantly seek new opportunities, meet new people, and try different ideas. Sometimes, as John Rooke pointed out in his short talk about how women had to persevere for some years to join Rotary, you can see why some people say that commonsense is not as common as one might think. Hearing from Simon and Kevin about our club, what it has done, and what we are currently doing, and how we have developed over the years by working with the community would give anyone the feeling that we can do practically anything that we set our minds to. And that wouldn't be far off the mark.

We enjoyed having Elizabeth Owens and Peter Behm from the Rotary club of Noble Park visit, although we missed our good friend George Malone, and we hope you are feeling better George. The delicious birthday cake that Eunice Rooke baked for us did help to cheer us up though. Thank you very much Eunice!

So we're 61 years young, but by many time scales, that's just a speck in time. We should be proud of what our club has accomplished to date, and learn from the past, but be looking ahead to what we can achieve in the future. Perhaps civilisation will eventually develop to the point where Rotary is no longer necessary, but I expect that time is quite a long way off. I would say that as long as there is a need for Rotary in the community, and as long as good people are willing and able to take action to help the disadvantaged and less fortunate, then Rotary will have a bright and long life in the days and centuries ahead.

Cheers
Ian

Winter Warmers Benefit from the Farmers Market

It was our privilege to present a cheque to the Winter Warmers Group, Lyn Wright, Anthea Williams, Ian and Fiona Oats, Elisabeth Crombie and Bev Rayner last Tuesday at the meeting.

Winter Warmers helped us run the Farmers Market for a few months, and we hope the cheque will help them to provide nourishing meals to people who are truly in need of food.

2016 Council on Legislation

Of Rotary International

Proposed Legislation 16-01 through 16-181

10-15 April 2016 | Chicago, Illinois, USA

INVITATION TO COMMENT

Dear Club President and Members

D9810 has been notified of proposed legislation to be considered by the 2016 Council on Legislation which will be convened in Chicago from 10 – 15 April 2016.

As D9810's elected delegate on the Council on Legislation, my role is to represent the views of our Clubs in any debate that takes place on matters addressed by Council. Attached is a summary listing of proposed legislation and full documentation is available at www.rotary.org. This is an invitation for D9810 Clubs to provide me with your comments by 31 January 2016.

All items of legislation are divided into two types: enactments and resolutions. A proposed enactment seeks to amend the RI constitutional documents. Constitutional documents include the RI Constitution, the RI Bylaws and the Standard Rotary Club Constitution. All enactments reference the 2013 Manual of Procedure page numbers of the constitutional document(s) they propose to amend. A proposed resolution is any item that does not seek to amend these documents but other RI policies and procedures.

At the top of each piece of legislation is a Council number (for example, 16-01). Items of legislation proposing changes on the same topic may have similar or identical titles. In order to avoid confusion, please refer to the Council number rather than the title when providing your comments.

Also at the top of the legislation is the name of the proposer(s). Some items have more than one. This occurs when multiple proposers submit identical items of legislation that are then combined. It also occurs when proposers of similar items agree to join a piece of compromise legislation recommended by the Constitution & Bylaws Committee. This recommendation is pursuant to the RI Bylaws and does not express the Committee's opinion regarding the merits of the proposal. Compromise proposals are labelled with Compromise Legislation above the Council number.

The proposers' statements of Purpose and Effect and the Financial Impact statements from the general secretary are printed below each item of legislation. The statements of Purpose and Effect are drafted by the proposers of the legislation and have not been edited for accuracy. The Financial Impact statements are drafted by the general secretary and reflect any estimated increase or decrease in revenues and/or expenses that will be incurred by implementing the proposed enactment or resolution.

As required by RI's constitutional documents, the legislation is sent to the governor of each district, past directors, and all members of the Council by 30 September 2015. The legislation appears in full on Rotary's website, www.rotary.org.

If you have any questions, please do not hesitate to contact me either via email – david.alexander9810@gmail.com or mobile (041 899 3297).

Thank you for your input.

David
