Message from the President

Dear Members and friends,

(Dr.) Andrew Fuller gave a very insightful presentation at our previous meeting into the needs and behaviours of teenagers. We need more Andrew Fullers in the world, not only to do more research into what makes young people resilient, but also so that we can help ensure that they reach their full potential in life. Andrew's work in conjunction with the City of Kingston will help the young people of Kingston to feel consulted, engaged, valued and appreciated. These factors are some of the top motivators (if not the top ones) for anyone working in any organisation. With some careful planning and commitment to the young people of our community, we can turn resilient youth into resilient adults. We were also very happy to see Zorica Djuric and Kelly from the City of Kingston and Peter White and Charlie Robertson from the 1st Chelsea Heights Scout Troop. Visitors are always welcome to our meetings, and we try to ensure that our visitors find our club meetings inviting and beneficial. Thank you to Claire for suggesting Andrew as a Guest Speaker.

This week we will have a vocational meeting at 6:30pm on Wednesday 25th (not Tuesday) at the Carrum Surf Life Saving Club, 15 Old Post Office Lane, Carrum (Melways 97J10). You can find out more about them at www.carrumslsc.com

Hope to see you there.

Best wishes,
Ian
