Dear Kingston Cluster Presidents,

I hope you all had a great Christmas with family and friends. No doubt you have plans to see in the New Year and hopefully it will be both rewarding and safe for you and your Club members. DG Ken has asked me to send you the notification listed below. I know this is a very busy time and if you could find sometime early next year in January to act on this request it would be very much appreciated.

From DG Ken,

"As you are aware, on the 3rd and 4th of February 2023 District 9810 is holding a very special "Inspire Rotary" event and we need as many Clubs as possible involved. This is not just for new/younger members, it is for those that are young of heart, those that are forward thinkers, those that are open to new ideas and those that look at things with an open mind. To gain a greater understanding of this 2-day event please refer to the District website. Once again D9810 is the leader in this pilot program, with the view to introducing this concept to other Districts in Zone 8, so we need your support to make sure we have the numbers to make it a success."

DG Ken would like to have two or three of your Club members attend the event. Could you please ask your members if anyone would like to attend then please forward their names and contact details to Trish Carr.

Take care and I look forward to catching up with you and your Club members in early 2023.

Regards

David Cugley
