Congratulations to us for another successful year!

Well, we've successfully reached the end of another Rotary year and we will be thanking our outgoing Board and celebrating the handing over of the reins of Chelsea Rotary from Presidents Michael and Olaf to Presidents Lynn and Simon on the 4th July!

We've found that having two co-Presidents has a number of benefits. Of course, having a backup is one advantage, in the event that one of them is indisposed due to travel, ill-health or some unforeseen circumstance, but there are other benefits as well. Having two co-Presidents provides a colleague to bounce ideas off, helps with the smooth running of the club, and broadens the expertise available to the Board. It also means that in times of strenuous demands on limited resources, there are two sets of hands, two brains (usually), and two heads to tackle pressing matters. Although doubling the number of Presidents might occasionally lengthen some meetings, and flatten the battery in the microphone, and might rarely cause some slight difference in points of view, we have found that the benefits far outweigh the drawbacks. We have therefore decided to continue with this Presidential model in 2023-24.

We're sure Presidents-elect Simon and Lynn will have a rewarding, fulfilling time and we offer them our full support, as of course we do to our 9810 District Governor Ian Ballantyne.

This year we are also part of a Rotary Cluster:

Kingston A Cluster 2023-24:

Assistant District Governor for Kingston A Cluster
Noble-Park-Dingley
Moorabbin

Stay safe,

Ian.
