ROTARY'S MOTTO IS "SERVICE ABOVE SELF"

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

CHELSEA MENS SHED – NEW PREMISES - SANDY ANTONUCCIO

Project type	Major project
Project value	\$1.3 million
Project schedule	July 2023–March 2024

We are pleased to share that the Chelsea Men's Shed will soon have a permanent home at 71 Catherine Avenue, Chelsea. Council has appointed builder Simbuilt to refurbish the former Chelsea Kindergarten building to create the new home for the Men's Shed.

Kingston Council is investing \$1.3 million in the project and welcomes the partnership with the Victorian Government (\$80,000) and the Men's Shed (\$40,000) to complete the works.

It has taken nearly 6 years to arrange the new site at Catherine Avenue. Kingston Council gave approval in 2019 and work commenced in 2023. Excellent sponsors, including the Commonwealth Bank, Bendigo Bank Aspendale Gardens, Lowe Foundation and the Victorian Government all assisted.

Sandy gave us an update on the progress of the new Mens Shed facility which has been renovated on the old Kindergarten site in Chelsea. A lot of work has gone into the renovation, but the building now looks incredible. Asbestos had to be removed, sound proofing installed, flooring redone, windows replaced, new roof, toilets upgraded, with a disability toilet and shower installed and a workshop area 8 x 20 metres created. March is the estimated completion date and no doubt all are eagerly awaiting the move to the new premises.

A Women's Programme will be offered on a Tuesday. A three-week course providing basic use of power tools etc.

To date – the current members have been making possum boxes and have also rebuilt a rocking horse for one very thrilled lady.

Well done Sandy and all the others who have managed and assisted with this huge Community project.

FARMERS MARKET – 3/2/24 – NOEL JENKINSON

Lovely summer weather saw a great turn-out of market shoppers. The flower stand opposite the entry gate had a gorgeous range of blooms, while the aroma from the BBQ was so enticing. Dogs, with tails wagging were having a lovely social outing. All in all it made a great morning for the market with good takings for the scout group assisting. Noel advised several Members would be away for the March market, so if you are able to assist, please let him know.

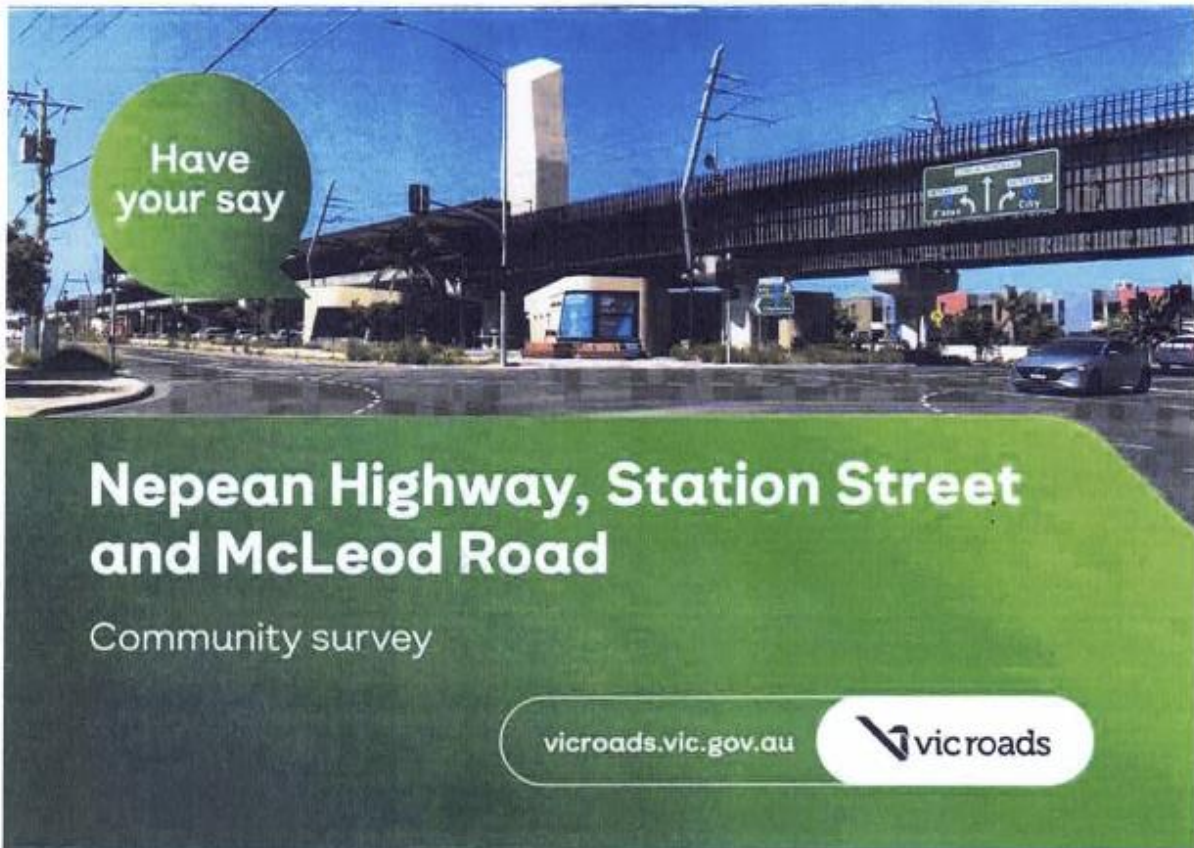

EQUIPMENT FOR NEW SCHOOL –DREKETI VILLAGE, QAMEA ISLAND, FIJI - PETER BATTEN

Peter advised a sorting/packing night to be organised, possibly Tuesday 20/2, to finalise the boxes for the 20ft container to be sent to Suva. All welcome to assist. Peter will provide a BBQ dinner at his warehouse.

President Simon closed another successful meeting.
