CHELSEA ROTARY MEETING 3325 – TUESDAY 27th FEBRUARY 2024

President Simon welcomed Rotary Members, Kingston Junior Council Members, Zorica Djuric from the Kingston Council, parents and children from the four recipient schools who were to be awarded cheques.

Keith Chamberlain explained the process for the cheque recipients. The Junior Council Members had voted on the merits of schools which had participated and had selected four schools worthy of awards.

It was with great pleasure that Chelsea Rotary was able to provide cheques which were presented to the winners by Junior Council Mayor, Alexandra Shewan.

March is Water and Sanitation Month

What Is your Rotary Club doing to focus on Water and Sanitation in March 2017? Clean water and sanitation is a human right. When people, especially children, have access to clean water, sanitation, and hygiene, they lead healthier and more successful lives. We don't just build wells and walk away. Rotary members integrate water, sanitation, and hygiene into education projects. When children learn about disease transmission and practice good hygiene, they miss less school. And they can take those lessons home to their families, expanding our impact.
