**ROTARY'S MOTTO IS "SERVICE ABOVE SELF"**

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service.

**SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

**THIRD:** The application of the ideal of service in each Rotarian's personal, business and community life.

**FOURTH:** The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

How many people use mobility scooters in Australia?

231,000 users

This estimated that about 13 per 1,000 Australians aged 18 and over used a mobility scooter, equating to **about 231,000 users**. Despite the stereotype of mobility users being older Australians aged 60 and over, this survey found that half (51%) of mobility scooter users were aged 18–59. 12 Apr 2019

## **This week we're being shown around the Chelsea Men's Shed!**

The afternoon will start with a visit to the Men's shed to see the new location and layout. The shed will be open from 4.00pm to 5.00pm for the show and tell.

Following the visit, we intend to gather back at the RSL for dinner and a brief meeting.

This evening is a show and tell for us only and a cheque presentation will be done at a later date regarding the Farmers market effort the Men's shed put in over the 3 months Feb, March, April.

We are also delighted to pass on that Kevin tells us we have handed over our last Rotary Mobility Scooter!

The happy rider, Mr Peter Howell, is shown on the next page. Information isn't supplied about which football team Peter follows, but it looks like he's pretty one-eyed about it. Safe travels Peter! We hope you enjoy your new wheels.

Best wishes to Lesley – we hope your new hip is working well. And it's good to hear Claire is gradually getting fitter in rehab (the cardio-vascular type, not the drug kind) with her five new [CABGs](#).

## Members: ATTENDING MEETINGS

To enable the RSL to organise their staffing and catering (which directly affects their business viability - and ours!), it is important to advise Kevin Harrison if Members will NOT be attending the Tuesday meeting, by early Tuesday morning at the latest.

OTHERWISE, IT WILL BE DEEMED YOU WILL BE ATTENDING.
