ROTARY'S MOTTO IS "SERVICE ABOVE SELF"

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

General Meeting this week

CHELSEA ROTARY MEETING NO. 3344

TUESDAY 6TH. AUGUST, 2024

President Peter welcomed a small number of Members to our meeting. Unfortunately there were a lot of apologies due to Members travelling and illness.

President Peter advised Chelsea Rotary Members have been invited to the [Mordialloc Rotary](#) meeting on 27th. October, to hear their guest speaker, [Jess Tarranto](#).

WORKING WITH CHILDREN CARD

Kevin led a discussion on the "Working with Children" card and the new requirement for Rotarians, in addition to the card. There have been many objections from numerous Clubs.

Ken Mirams will give us a presentation on 25th. August and a discussion will follow on this issue.

Lesley to update the current WWC listing of our members.

FARMERS MARKET

Noel gave us an update on the last market held on 3rd August, which showed a fairly good result, considering the time of year. Noel has purchased new terminals for use on the entry gates, which should make it easier for entry. It was suggested we have Rotary flyers to hand out at the main entry gate to promote Rotary and make the community aware of what Rotary does.

FUTURE COMMUNITY OUTINGS

President Peter advised that the Community Garden will be organising a BBQ for Chelsea Rotary, possibly in September, and The Men's Shed is also looking at a BBQ on a Saturday, when we can present them with a cheque for their assistance with the Farmers Market.

President Peter closed the meeting as dinner was being served.

From David and Noelle Read in Calgary, Canada.

Hello Ian and all Chelsea Rotarians. Hard to believe because of Covid, Noelle and I have not been to Australia since 2019. Would like to come in Dec. to celebrate Noelle's brother's 90th.

My real reason to write.

If anyone from your club is planning to come to [Calgary](#) next May for the [International convention](#), it would be our pleasure to spend a day with them, showing them some of the sights and highlights of our city. One place that we like to take Aussies is a world heritage site, called "[Head smashed in buffalo jump](#)" Amazing place for a day visit, 2 hour drive south of Calgary. Hope your club is still doing well. Say hello to Kevin for me.

Regards, Dave Read

Model United Nations Assembly

[MUNA 2024](#) will be an in-person event at [Lyndale High School](#) on Saturday 17 August 2024.

What is MUNA?

The Model United Nations Assembly (MUNA) is an annual one-day event that is part of an International Rotary project to educate senior high school students on the United Nations organisation and its vital commitment to world peace, in addition to health, education, and living standards around the world.

The event provides an excellent forum for students to develop and practise their public speaking skills whilst debating on topical world issues.
