ROTARY'S MOTTO IS "SERVICE ABOVE SELF"

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Presidents Message

Greeting's fellow Rotarians and friends

This week we were received a history lesson from some of our newer members.

First up was Don Colquhoun recently arrived from Aspendale who gave us a pronunciation lesson. Don was the easy part.

Colquhoun /kə'hu:n/ is a surname of Scottish origin. It is a habitational name from the barony of C olquhoun in Dumbarton shire. The name is thought to be derived from the Gaelic elements còil ("nook"), cùil ("corner"), or coill(e) ("wood") + cumhann ("narrow"). (It is all Scottish to me)

Don also gave us an insight into his early life as a young apprentice at Melbourne Tech before going out into the world as carpenter working on the railways then onto AV Jennings homes and Trimview Windows. Ray Smith another arrivee from Aspendale and product of Melbourne Tech.

Now Smith is a surname originating in England. It is the most prevalent surname in the United Kingdom, Australia and the United States, the second most common surname in Canada, and the fifth most common surname in Ireland. The surname Smith is particularly prevalent among those of English, Scottish and Irish descent.

Ray followed his father into the Auto trade before moving to Aspendale where he started Smiths Panels in Chelsea some 40 + years ago.

Both Ray and Don have been a part of the Rotary scene for years and it was interesting to hear how Camp awaking's started and that Aspendale was responsible for the bike track that runs between Mordialloc Creek and Patterson River along the wetlands.

Talk about interesting, our next Rotarian an ex Russian prince of noble decent. Nick Vinocuroff (well nearly)

Now Vinocuroff is the 4,516,948th most common surname in the world. Approximately 4 people bear this surname in Australia.

Nick, born to Russian parents after escaping the Russian Revolution (you can read about at your own leisure (Wikipedia)) was born in China before ending up in Australia after his family was enlisted into the Japanese army to fight the Russians in WW2. Another long story! Nick ended up an engineer and project manager after wanting to be a commercial pilot and has now retired. We have our suspicions that he may be a KGB sleeper so be careful what you say around him. Nick is very keen to get involved with our upcoming projects and is on our Membership and marketing Team.

Carpe diem,
Peter

Message from District Governor Carol Lawton

Here we are beginning the year of 'Rotary Serving Humanity' which I know you will all support with your exceptional Rotary commitment.

Frank and I would like to thank all of you who shared the Rotary District Changeover with us. It is always a special occasion and I know we all appreciated the presence of Ian and Juliet Riseley. David and I certainly appreciated Ian's role in the official 'handover' part of the evening. It did indeed add a special dimension to celebration of an excellent past year and the anticipation of the year ahead. It was also wonderful to see you all enjoying yourselves so much. We all owe special thanks to the Rotary Clubs of Nunawading and Warrandyte/Donvale for their excellent organisation of the evening!

This week sees the first of a range of District Seminars to help all Rotarians learn more about the broad range of programs, projects and opportunities provided. I do encourage all of you to explore these seminars - whether to deepen existing knowledge, explore aspects of Rotary with which you are less familiar or to meet others beyond your club who might also share your interests. There's something in each seminar for everyone.

We're beginning with the Membership Seminar on Friday 22nd July so that you can use the information for August's Membership & Extension Month - we're looking forward to seeing as many as possible there.

Frank and I are looking forward to meeting as many of you as possible as we visit your clubs in the months ahead.

Best wishes to you all,

Carol Lawton
District Governor 2016-2017
Rotary District 9810, Australia

Some Fun to Get You Through the Week

"Okay, two words ... second word rhymes with tired."

"I'm afraid I can't treat you, Mr. Fisk. I have a conflict of interest."

"This promotion means you'll be getting the blame directly from me."

PLEASE PICK UP GPS SYSTEM BEFORE ENTERING.

Great Scott! This is a job for Superman!

"What's the problem? We told you when you started you'd have to make some sacrifices."

Mock Interviews at Mordialloc Secondary College

Mock interviews are being held at Mordialloc Secondary college on August 3rd. from 9.00am to 10.30am.

We are in need of 6 to 7 volunteers to make this a successful experience for the students.

Please contact Ray Smith (sraymondj@yahoo.com.au) for further details and to offer your time.

Challenge to Lead Program

The Challenge to Lead Program is a 3-day residential leadership program run by the Rotary Club of Doncaster on **13th, 14th and 15th October, 2016**.

The Program is delivered pro bono by dedicated professional facilitators including the former Director of HR for HP and Telstra, a Senior Fellow Melbourne Business School, an advisor to Mt Eliza MBA program and a Principal Fellow of the Melbourne University Business School.

Throughout the Rotary network there is a pool of contacts and potential participants in management and professional positions who would either benefit themselves or recommend others who would benefit from the Program.

There is a high demand for good leadership. It is a must-have capability for any individual or organisation wanting to get ahead in the world and achieve and earn more. Leadership can be taught, learnt and developed and this course will help in this regard.

The Rotary Club of Doncaster is prepared to pay any Cluster Rotary Club **a \$500 fee** for each individual referral who attends. We are aiming to run 2 courses concurrently with a minimum of 20 participants in each course.

If you have any queries, please contact David Grieve on 0488 480402 or david@5-dimensionz.com.au
