IS "SERVICE  
ABOVE SELF"**

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service.

**SECOND:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

**THIRD:** The application of the ideal of service in each Rotarian's personal, business and community life.

**FOURTH:** The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

## Editors Message

Thanks to Lesley, Kevin, Hazel and everyone else for telling us at our previous meeting how they helped the School Readiness Hearing Screening project, testing the hearing of dozens of young

children over the last two weekends. It is a great example of a project that helps multiple people in our community in many ways throughout their lives, yet it does not cost us much at all. The project is currently being considered for adoption by other municipalities!

At our meeting this week, Karen Barbour will speak to us about the Pay It Forward project. It should be very interesting.

Carpe Diem,

Editor Ian for President Peter (who is on holidays).

(Thanks for the photos JJ !)

## UNICEF Needs Your Foreign Coins

More and more of us are heading overseas and we always seem to return with useless foreign coins that end up in the bottom of a drawer somewhere.

In the last six months 120kgs of coins and notes sent to UNICEF were valued by them at **\$4,700.64**.

Eammon Bryant, UNICEF Partnerships Manager said

*“We see Rotary and UNICEF as a perfect match. Our history working with, and converting foreign coins to help children in need matched with your unparalleled reach across Australian communities, we think, makes it a dream fit”.*

UNICEF works in over 190 countries to support children’s health needs, clean water and sanitation, quality basic education, and protection from violence, exploitation, and HIV.

So, far more than 15 clubs in the district have joined enthusiastically into this initiative.

**For more details, contact Hans Wehmoller - [hanswehmoller@gmail.com](mailto:hanswehmoller@gmail.com).**

***\$2 will provide a severely malnourished child enough therapeutic super food for one day.***

## Challenge to Lead Program

The Challenge to Lead Program is a 3-day residential leadership program run by the Rotary Club of Doncaster on **13th, 14th and 15th October, 2016**.

The Program is delivered pro bono by dedicated professional facilitators including the former Director of HR for HP and Telstra, a Senior Fellow Melbourne Business School, an advisor to Mt Eliza MBA program and a Principal Fellow of the Melbourne University Business School.

Throughout the Rotary network there is a pool of contacts and potential participants in management and professional positions who would either benefit themselves or recommend others who would benefit from the Program.

There is a high demand for good leadership. It is a must-have capability for any individual or organisation wanting to get ahead in the world and achieve and earn more. Leadership can be taught, learnt and developed and this course will help in this regard.

The Rotary Club of Doncaster is prepared to pay any Cluster Rotary Club **a \$500 fee** for each individual referral who attends. We are aiming to run 2 courses concurrently with a minimum of 20 participants in each course.

If you have any queries, please contact David Grieve on 0488 480402 or [david@5-dimensionz.com.au](mailto:david@5-dimensionz.com.au)

## Projector

Kevin Harrison loaned his projector to a Rotary function and it seems to have gone looking for items to display on its own.

If you know the location of the projector, please apprehend it and return it to Kevin. We are sure Kevin would buy you a coffee!
