President Elect's Message

Greetings Everyone

On Tuesday night, Karen Barber gave a talk on the Pay It Forward Business Network. The Pay It Forward Business Network is a group of business professionals who meet with the view of giving back to the local community whilst they build their businesses and business relationships. Some very interesting points came out of the talk:

- All the money they raise, including membership fees goes back to the community.
- They currently have 17 members.
- The cost for membership is \$150 per quarter.
- They meet every two weeks at 8:30 at 5 Blantyre Ave, Chelsea. This is the Chelsea Care Work run at the Church of Christ and all Pay It Forward Business Network funds go to this cause.
- Chelsea Care Work provide breakfast each Wednesday from 8:30am – 9:45am to people who would otherwise go without. As part of Pay It Forward Business Network meeting at this location, they each pay \$20 to cover the breakfast and that money goes straight to Chelsea Care Work.
- Please email payitforwardbusinessnetwork@gmail.com 1 week prior to a meeting if you wish to attend. The next meeting will be September 7, which will also be a visitors' day.
- You can find out more information about the Pay It Forward Business Network on Facebook at www.facebook.com/groups/payitforwardbusinessnetwork.

Pay It Forward Business Network would welcome any help and new members.

Remember this Tuesday night is at the Four Seas Chinese Restaurant opposite Chelsea Station on Nepean Highway. The following week we will meet in the foyer of the town hall and you need to enter via the RSL.

Cheers
Keith

PAY IT FORWARD BUSINESS NETWORKING GROUP “WITH A DIFFERENCE”

The 'Pay it Forward Business Network' is a Chelsea based active group of local business professionals who meet on a fortnightly basis with the view of giving back to the local community whilst developing mutually beneficial business relationships with the aim of passing and receiving business referrals.

PIF Business Network allows members to grow their business and referral base while helping the local community.

PIF Business Network provides an ordered, professional and structured system of giving and receiving business. It does so by providing an environment in which personal relationships can be developed with dozens of other qualified business professionals.

By establishing this 'formal' relationship with other like-minded business people, each member of PIF Business Network has the opportunity to substantially increase their business.

Not only do you have the opportunity to increase and grow your business and the businesses of others, you are giving back to the local community. All membership fees and fortnightly \$20 donations (for our breakfast) go directly to Chelsea Care works a charity organisation who do amazing things in our local community for the less fortunate.

Membership is upon application and we only allow one person per business category to participate in the group. This means, all referrals passed within the group for your particular category will go directly to you and you only.

Joining PIF Business Network is like instantly acquiring a new team of business people who are constantly on the lookout for referral opportunities for your business.

We hold fortnightly meetings every 2nd Wednesday

Venue: Chelsea Care Works, 5 Blantyre Ave Chelsea.

The cost is **\$20**, which is donated directly to the "Chelsea Care Work", which covers the cost of a hot breakfast.

Attendees are asked to bring about 50 business cards with them and prepare a 60 seconds verbal overview of your business, so you can tell us a bit about your business and the types of clients you would like referred to you.

Books club

STUDENTS at Patterson River Secondary College are facing a ban on technology in school this week but it not a punishment for any misdemeanour.

The 'ban' on mobile phones, iPads and laptops in the school library is a way for students to rediscover the joy of the printed word on the page during the Children's Book Council organised Book Week (22-25 August) in partnership with state government.

The week, dubbed 'Lit Fest' at Patterson Secondary, will be an interesting technology separation experience for some students who have known nothing else than a time when reading on glowing screens is prevalent.

'Stories around the campfire', a competition matching teachers with their favourite books and collaborative story writing activities as part of book making fun will be part of Book Week at the school.

See cbca.org.au/book-week-2016 for further information on Book Week and activities for school students.

UNICEF Needs Your Foreign Coins

More and more of us are heading overseas and we always seem to return with useless foreign coins that end up in the bottom of a drawer somewhere.

In the last six months 120kgs of coins and notes sent to UNICEF were valued by them at **\$4,700.64**.

Eammon Bryant, UNICEF Partnerships Manager said

“We see Rotary and UNICEF as a perfect match. Our history working with, and converting foreign coins to help children in need matched with your unparalleled reach across Australian communities, we think, makes it a dream fit”.

UNICEF works in over 190 countries to support children’s health needs, clean water and sanitation, quality basic education, and protection from violence, exploitation, and HIV.

So, far more than 15 clubs in the district have joined enthusiastically into this initiative.

For more details, contact Hans Wehmoller - hanswehmoller@gmail.com.

\$2 will provide a severely malnourished child enough therapeutic super food for one day.

Challenge to Lead Program

The Challenge to Lead Program is a 3-day residential leadership program run by the Rotary Club of Doncaster on **13th, 14th and 15th October, 2016**.

The Program is delivered pro bono by dedicated professional facilitators including the former Director of HR for HP and Telstra, a Senior Fellow Melbourne Business School, an advisor to Mt Eliza MBA program and a Principal Fellow of the Melbourne University Business School.

Throughout the Rotary network there is a pool of contacts and potential participants in management and professional positions who would either benefit themselves or recommend others who would benefit from the Program.

There is a high demand for good leadership. It is a must-have capability for any individual or organisation wanting to get ahead in the world and achieve and earn more. Leadership can be taught, learnt and developed and this course will help in this regard.

The Rotary Club of Doncaster is prepared to pay any Cluster Rotary Club **a \$500 fee** for each individual referral who attends. We are aiming to run 2 courses concurrently with a minimum of 20 participants in each course.

If you have any queries, please contact David Grieve on 0488 480402 or david@5-dimensionz.com.au

Projector

Kevin Harrison loaned his projector to a Rotary function and it seems to have gone looking for items to display on its own.

If you know the location of the projector, please apprehend it and return it to Kevin. We are sure Kevin would buy you a coffee!
