President's Message

Greetings Everyone

Last Tuesday we enjoyed a fellowship night at the local Chinese restaurant. Those who attended had a very enjoyable meal with much general discussion about many subjects. Thanks to Liz & Lyn for organizing it. This week we are at the RSL but in the Town hall foyer. As the bistro is closed for renovations, we will be treated to a lovely meal prepared by Liz & Brian. Lasagne and salad. Our guest speaker is Carol Quayle from ROMAC. Carol will update us on Romac's current activities and I urge all members to make the effort to attend.

Until then,
Carpe Diem

Peter

Grateful thanks from a Camp Awakenings student

This has just come through from one of the students at the Western Region Bendigo Bank Camp Awakenings, held in Beaufort over the last weekend. Although this camp is not run by Chelsea Rotary, it's a direct result of the Mt Eliza camp and is only possible because of the support of Rotary for the program.

I honestly cannot thank you enough. I went to school yesterday and for the first time in a long time I had the confidence I needed to get through the day with a happy state of mind. For a long time now, I have had trouble with self confidence and insecurities but I can safely say that I am in probably the best mind set of my life. This is all thanks to you, Mickey, my team leader (Riley), the other campers and volunteers and your wonderful program. You honestly made me feel so comfortable, loved and appreciated.

I know that you probably didn't notice me much on this camp, but what I did was a big step for me. I stepped out of my comfort zone and I felt incredible. You have given me the power to be the me that I want to be and to stand out from here on in. You made me so much more comfortable in the shell that I'm in and now I can help others be as happy as I am and I'm so grateful for that.

For once in my life, I feel like I am part of a community that would do anything for me. I couldn't think of a happier life than to be a Camp Awakenings volunteer and I would be #blessed if I was chosen. But I also know that I'm often too held back to be seen as a leader, so please just know that if I never get to be a part of your family, you have changed me forever and I am forever in debt to you for that. I just feel as if CA changed me so much and my confidence and energy will never stop building. I hope you don't mind if I keep in touch.

THANKYOU SO MUCH,
Caitlin (Orange team). x=

Rotary Foundation Centurion Club Report

In my role as Foundation Chair, I wish to report that I've recently been advised of the reconciliation of the District Centurion Club records with those of the Australian Rotary Foundation Trust for year 2015/16. As a result, I can confirm that last year '2015/16', personal giving through the Centurion Club Program achieved another all-time record high of **\$60,943 from 410 generous Centurion Donors**. This outstanding result is up from the \$55,684 achieved in year 2014/15.

Congratulations to everyone for making this happen, a great effort and Thank you!
In order to do good around the world more often, **our Goal in 2016/17 must be 'To encourage more Rotarians to join the Centurion Program' which then not only assists our Foundation Globally but helps make available more District funds to our Club in 3 years' time**. Therefore, I would like to make this one of our 2016/17 Club Foundation Goals. After all, it may be your effort that will make all the difference.

Below is a **report which shows our Club's performance** in the Centurion program and lists member participation over the past four years.

As a way of assisting our Club to increase the participation rate, some Clubs enjoy great success through encouraging their members to Donate on a Weekly Basis. This is where the Club sanctions the idea of members (who wish to participate) contributing 'say \$2/week' towards the 'annual \$100 Centurion Membership (either by adding to their weekly meal fee or collected separately). The money is collected and collated until the member donation reaches \$100 then it is remitted with others on a common date (say Foundation month or June) each year. I hope that you may find this idea of some value in your Club service.

Current Chelsea Rotary Centurion program members:

Keith Chamberlain, Peter Batten, Claire Button, Ian Button, Teena Griffith, Peter Washington
The late George Malone

If you want to join, email me and I will email you a **Centurion Membership Application Form**.

UNICEF Needs Your Foreign Coins

More and more of us are heading overseas and we always seem to return with useless foreign coins that end up in the bottom of a drawer somewhere.

In the last six months 120kgs of coins and notes sent to UNICEF were valued by them at **\$4,700.64**.

Eammon Bryant, UNICEF Partnerships Manager said

“We see Rotary and UNICEF as a perfect match. Our history working with, and converting foreign coins to help children in need matched with your unparalleled reach across Australian communities, we think, makes it a dream fit”.

UNICEF works in over 190 countries to support children’s health needs, clean water and sanitation, quality basic education, and protection from violence, exploitation, and HIV.

So, far more than 15 clubs in the district have joined enthusiastically into this initiative.

\$2 will provide a severely malnourished child enough therapeutic super food for one day.

Challenge to Lead Program

The Challenge to Lead Program is a 3-day residential leadership program run by the Rotary Club of Doncaster on **13th, 14th and 15th October, 2016**.

The Program is delivered pro bono by dedicated professional facilitators including the former Director of HR for HP and Telstra, a Senior Fellow Melbourne Business School, an advisor to Mt Eliza MBA program and a Principal Fellow of the Melbourne University Business School.

Throughout the Rotary network there is a pool of contacts and potential participants in management and professional positions who would either benefit themselves or recommend others who would benefit from the Program.

There is a high demand for good leadership. It is a must-have capability for any individual or organisation wanting to get ahead in the world and achieve and earn more. Leadership can be taught, learnt and developed and this course will help in this regard.

The Rotary Club of Doncaster is prepared to pay any Cluster Rotary Club **a \$500 fee** for each individual referral who attends. We are aiming to run 2 courses concurrently with a minimum of 20 participants in each course.

If you have any queries, please contact David Grieve on 0488 480402 or david@5-dimensionz.com.au

Projector

Kevin Harrison loaned his projector to a Rotary function and it seems to have gone looking for items to display on its own.
