President's Message

Hello all,

Tuesday night was very light on for numbers but those who attended saw a very good presentation from JJ on a project aimed at road safety for children in Thailand. We have all seen how young children are passengers on motorbikes and not wearing helmets. This international project is aimed at supplying and raising awareness of the benefits of helmets. This week is a working night with all committee's meeting before our board meeting. Let's all try to be there to review our current projects.

On a sadder note, our thoughts are with Simon & Jo whose sister In Law passed away last week after a long battle with cancer.

Carpe Diem

Peter

CFA Thermal Imaging Camera

Chelsea Rotary contributed \$2000 from the Art Show Proceeds towards the cost of this important piece of equipment. The camera helps firefighters to locate people in dark, smoke-filled environments and is sensitive enough to detect recent footprints. It has other operational modes that can detect hot spots and help identify fire sources as well as hazardous material leaks. It can also hold up to 2 hours of normal video, allowing operations to be reviewed for training purposes.

Call for candidates

Nominations to stand as a candidate for the 2016 Kingston City Council elections open on Thursday 15 September.

'I encourage anyone interested in representing their local community to nominate,' said Returning Officer Peter Snow.

'Prospective candidates should prepare now so they are ready to lodge their nomination in person during the short nomination period.'

Nomination forms must be lodged in person, together with the \$250 nomination fee, with the Returning Officer during business hours from Thursday 15 September until 12 noon Tuesday 20 September at the election office: 7/18-20 Bond Street, Mordialloc. Late nominations cannot be accepted.

To prepare, prospective candidates can call the Returning Officer from Wednesday 14 September on (03) 8619 1615 to make a nomination appointment. They can also pre-fill their nomination form online using the VEC's Candidate Helper at vec.vic.gov.au.

UNICEF Needs Your Foreign Coins

More and more of us are heading overseas and we always seem to return with useless foreign coins that end up in the bottom of a drawer somewhere.

In the last six months 120kgs of coins and notes sent to UNICEF were valued by them at **\$4,700.64**.

Eammon Bryant, UNICEF Partnerships Manager said

"We see Rotary and UNICEF as a perfect match. Our history working with, and converting foreign coins to help children in need matched with your unparalleled reach across Australian communities, we think, makes it a dream fit".

UNICEF works in over 190 countries to support children's health needs, clean water and sanitation, quality basic education, and protection from violence, exploitation, and HIV.

So, far more than 15 clubs in the district have joined enthusiastically into this initiative.

Challenge to Lead Program

The Challenge to Lead Program is a 3-day residential leadership program run by the Rotary Club of Doncaster on **13th, 14th and 15th October, 2016**.

The Program is delivered pro bono by dedicated professional facilitators including the former Director of HR for HP and Telstra, a Senior Fellow Melbourne Business School, an advisor to Mt Eliza MBA program and a Principal Fellow of the Melbourne University Business School.

Throughout the Rotary network there is a pool of contacts and potential participants in management and professional positions who would either benefit themselves or recommend others who would benefit from the Program.

There is a high demand for good leadership. It is a must-have capability for any individual or organisation wanting to get ahead in the world and achieve and earn more. Leadership can be taught, learnt and developed and this course will help in this regard.

The Rotary Club of Doncaster is prepared to pay any Cluster Rotary Club **a \$500 fee** for each individual referral who attends. We are aiming to run 2 courses concurrently with a minimum of 20 participants in each course.

If you have any queries, please contact David Grieve on 0488 480402 or david@5-dimensionz.com.au

Projector

Kevin Harrison loaned his projector to a Rotary function and it seems to have gone looking for items to display on its own.

If you know the location of the projector, please apprehend it and return it to Kevin. We are sure Kev would buy you a coffee!
