Message from the President

Dear Rotary members and friends,

It was great to see almost everyone back after the Christmas break.

Our thoughts are with George though, and we hope you get better with each passing day George! I'm in the process of sending the \$500 that George organised us to raise through our Cup Sweep, to the Fred Hollows Foundation.

This Tuesday we have Cr Tamsin Bearsley, Mayor of the City of Kingston, coming to help us to present a cheque to the Lighthouse Foundation in return for them helping us at the Farmers Market. It should be a great night, and Tamsin might tell us a bit about what's happening in the City of Kingston and her experiences as Mayor.

Best wishes,

Ian.

ROTARY'S MOTTO IS "SERVICE ABOVE SELF"

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

As you can imagine it is very difficult to get speakers for each of our meetings. We would like to ask members to suggest a guest speaker to speak over the next few months. Even if they can just suggest a topic, then we will try to find a speaker or organisation to talk about that, but it is even better if they can suggest a particular person.

I think we all know someone who could do a presentation for us.

21st February 2016
