Message from the President

Hi folks,

President Elect Peter Batten has kindly volunteered to take over the role for coordinating and organising our program until July. Please forward your suggestions and ideas to him. We have already had quite a few good ideas for Guest Speakers suggested at our previous meeting. Thank you to everyone who helped at the Farmers Market on Saturday. It fills a need in the community for healthy food, and provides an opportunity for socialising and mingling with the public. It all helps to raise the profile of Rotary - The World's Best Kept Secret.

Don't forget that there is no Rotary meeting at the Chelsea RSL this week. We will be going to the Dingley International Hotel on Wednesday instead to listen to Ian Risley (Rotary International President Nominee).

You do need to have booked in for this through the Rotary Club of Dingley Village if you intend to go. It should be an interesting night.

Best wishes

Ian.

Rotary Recycles – For anything you want to give away, Sell or Swap

Due to our daughter moving out of home, and due to her and her partner being limited in only being allowed to have two cats in the rental property, we find we have a young cat (4 years old and de-sexed) at home, Cleo, that I'm sure would be much happier in another home.

Our pre-resident cat FIDO lives up to her name and is very territorial and doesn't get on at all with Cleo. So if anyone would like a very friendly cat (she loves being patted and will sit quite happily with you for hours), please contact us.

Cleo has plenty of good mouse catching years left in her.

We can even supply a free cat jungle-gym.

WELCOME HOME DINNER

The District 9810 Youth Exchange Committee is pleased to invite yourself, and members of your club and partners to the Welcome Home Dinner for our recently returned exchange students.

This particular function is without doubt one of the highlights of the Rotary year. It has an atmosphere of warmth, appreciation and friendliness brought about by the student's presence. We would be pleased to see a representation of your club even if it does not have a student involved in the program.

During the evening the students will have a brief opportunity to say thank you and share some of their great experience with those present.

The attached registration form needs to be completed to coordinate details of those attending, including pre-payment where necessary. Your assistance in providing this information by the due date is most important. Seating will be allocated on tables of 10.
